

# I'm Sorry

Bobby "Blue" Bland

If I ever made you cry  
If I ever say goodbye  
And I ever told you a lie  
Then I know you  
You know the reason why

If I ever, if I ever  
Done one little thing  
To break your heart  
Sure enough, I'm sorry  
Yes, I'm sorry if I ever  
Ever made you blue, Lord

And if I ever  
Caused you heartaches too  
What an awful  
It's a low down thing  
For Bobby to do  
Still, you say you love me too

If I ever, if I ever  
Done one little thing  
To break your heart  
Don't you know I'm sorry  
Lord, I'm sorry, whoa, oh

I'm begging you to  
Please, please forgive  
For all the mistakes  
I made time and time again

I don't want you, no  
I don't want you  
To ever leave me  
If you do, don't you know  
You'll drive me out of my mind

Lord, if I ever  
Made you weep and moan  
Because I stayed out  
All night long

Don't you know  
It made me lose my happy home  
But this time, baby  
I'll never roam  
Believe me

If I ever, oh, Lord  
If I ever done anything  
To break your heart  
Don't you know I'm sorry  
Lord, I'm sorry
