

Someday

Bobby "Blue" Bland

Someday, you're going to miss me
Someday, you're gonna cry
Someday, you'll see
When I say goodbye
Someday, when you grow lonely,
you're gonna wish for my love only
Someday, your heart's gonna break like you caused mine to ache
Someday

Many a heart has been broken,
and you're no exception to the rule
For I've just gotta be plain spoken,
for I'm so tired of being your fool

Someday, when you grow lonely,
you're gonna wish for my love only
Someday, your heart's gonna break,
like you caused mine to ache
Someday
