

Teach Me (How To Love You)

Bobby "Blue" Bland

If I was wrong darling I didn't know, please help me to understand

Teach me how to love you, hold on to my trembling hand
Walk right here beside me, my whole life through
Teach me how to love you, that's all I want you to do
And in return for your love, I swear I'll be true

Yeah, I'm crazy, crazy, crazy about you baby,
so teach me how to love you

Walk right here beside, my whole life through
Teach me how to love you, that's all I want you to do
And in return for your love, I swear I'll be true

Yeah, I'm crazy, crazy, crazy about you baby,
so teach me how to love you

Oh yeah
