

Intro

Bobby Brown

Nobody does it better
(Sing it, baby)
Makes me feel sorry for the past
(I know they feel sorry too)

Nobody does it quite the way you do
Bobby, you're the best
(Thank you, baby, thank you)
(Yes, you are, yes, you are)
(I love you, baby)

Laid back
(Sing)
You know you are
(Baby, sing, yeah)
Oh, you know you are
(Baby, sing, yeah)

You the best, baby, you the best, baby
(Are you ready? You think they ready?)
(You think they ready, baby?)
Get 'em, baby
(Think they ready?)
Get 'em, baby, get 'em, baby
Go, baby, go
