Ladies and gentlemen

And all you people must share  
If all of you ain't down with me  
To rock the house  
Get off my snack

A [?] couldn't express what I've said what I mean  
'cause I say it with the force of a compressor machine  
You know  
What I say  
I leave it in a pocket  
Take it all at shows 'cause I know how to rock it  
Highly explosive  
Dangerous [?]  
But I'm here to have fun  
So don't be alarmed  
'cause I'm glowing and shining
