Bobby Brown

Spending Time

hello ladies its me again bobby u knoe the one came to spend some time with you

i try to find the time to spend time with you baby because i love you but it seems you have no time to spend time with me baby dont you know but i know and you know theres nothing we can do but i love you and its true so let's start this feeling a new

i'm the only guy who'll love you right lady ahh cant you see my loves for real and there be no mistaken ill love you right lady dont feel cold yeah cause i know and you know baby theres nothing we can do cause i love you and its true so let's start this feeling a new

i wanna spend time with you so lets take this time for two i wanna spend time with you let's take this time for two

yeah

but i know and you know nothing we can do (nothing we can do yeah) but i love you and its true i love this new feeling that you got me feeling for you

ahhh nooooo i wanna spend time with you
