

Don't Give Me Bad News

Bobby Caldwell

Hello, baby
It's been one of those days
And I've worked my heart out
For one more honest wage

I'm so weary
And it's takin' its toll
So if you're gonna tell me
Something I don't wanna know

Hold on, baby
I don't think I should hear this yet
Can't it wait until tomorrow
Don't say something you might regret
Don't give me bad news

Not until I close my eyes
I don't wanna see you see me so surprised

Little by little
It's gettin' me down
So if it's gonna be bad news
I don't wanna hang around

Hold on, baby
I don't think I should hear this yet
Can't it wait until tomorrow
Don't say something you might regret
Don't give me bad news

Someone tell me what a man has got to do
I don't think I ever ask that much of you
I don't want another confrontation
Either way I'm gonna lose
Don't give me bad news

Not until I loosen my tie
Not until I've had a chance to tell you not to say goodbye

Hold on, baby
I don't think I should hear this yet
Can't it wait until tomorrow
Don't say something you might regret
Don't give me bad news

Hello, baby
Come and take off your shoes
Tell me all your troubles
But don't give me bad news
