

I'll Be Around

Bobby Caldwell

I'll be around
No matter how
You treat me now
I'll be around from now on

Your latest love
Can never last
And when it's past
I'll be around when he's gone

Good-bye again
And if you find another love like mine
Just now and then
Drop a line to say you 're doing fine

And when things go wrong
Perhaps you'll see
You're meant for me
And I'll be around when he's gone

Good-bye again
Just now and then
Drop a line to say your doing fine

And when things go wrong
Perhaps you'll see
You're meant for me
And I'll be around when he's gone
