Lonely

Bobby Caldwell

When you reach a fork in the road
When you have to carry your heavy load
You should know you're not alone
All you got to do is call me
And when your day doesn't go so well
I can save you from this living hell
You're in need and I can tell
All you got to do is call me

Tell me, are you lonely, do you need someone tonight
Tell me, I'm the only one that ever treats you right
Tell me, are you lonely, do you need someone tonight
Tell me, I'm the only one that ever treats you right

If you find yourself in deep despair
You can trust that I will be aware
I promise I will be there
All you got to do is call me
When you're at the top of your game
And you've earned yourself a famous name
I would love you just the same
All you got to do is call me

Tell me, are you lonely, do you need someone tonight
Tell me, I'm the only one that ever treats you right
Tell me, are you lonely, do you need someone tonight
Tell me, I'm the only one that ever treats you right

Tell me, are you lonely

Tell me, are you lonely
Tell me, I'm the only one that ever treats you right
