

## Amy

Bobby Darin

Soft as the April snow  
Amy  
Lovely as indigo  
You only kissed me  
And paradise smiled  
And the man was a child  
And the wind was+ so wild.

Amy  
Here's what I mean to say  
Love me  
If only for today  
Let me know April and indigo blue  
And let paradise smile for me, too.

Amy  
Here's what I mean to say  
Love me  
If only for today  
Let me know April and indigo blue  
And let paradise smile for me, too.

Let me know April and indigo blue  
And let paradise smile for me, too
