

# Cry Me A River

**Bobby Darin**

Now you say you're lonely  
You cried the whole night through  
Well, you can cry me a river, cry me a river  
I cried a river over you

Now you say you're sorry  
For being so untrue  
Well, you can cry me a river, go ahead an' cry  
I cried a river over you

You drove me, nearly drove me out of my head  
While you never shed a tear  
I remember, I remember all that you've said  
Told me love was too plebeian  
Told me you were through with me... and

Now you say you love me  
Just to prove you do  
Come on and cry me a river, cry me a river  
I cried a river over you

You drove me, nearly drove me out of my head  
While you never shed a tear  
Remember, I remember every word you said  
Told me love was too plebeian  
Told me you were through with me... and

Now you say you love me  
Hey Mama, just to prove you do  
Come on and cry me a river, one long, wide river  
I cried a river over you
