

# Hear Them Bells

Bobby Darin

Hear them bells  
Hear them bells  
Hear them bells

Hear them bells  
Hear them bells  
(Hear them bells)

Ringin' in the distant steeple  
Callin' all the happy people  
On this fine Sunday mornin'

Hear them bells  
Hear them bells  
Hear them bells

Hear them bells  
Hear them bells  
(Hear them bells)

High up in the belfry swingin'  
What a happy song they're singin'  
On this fine Sunday mornin'

Here comes Sister Sue  
In her bonnet pretty blue  
Here comes Brother John  
Struttin' down the avenue

They know what the bells are sayin'  
And they've come to do their prayin'  
On this fine Sunday mornin'

(Hear them bells... hear them bells)

Hear them bells  
(Hear them bells, hear them bells)  
Hear them bells  
{Hear them bells, hear them bells)

High up in the belfry swingin'  
What a happy song they're singin'  
On this fine Sunday mornin'

From the far-off hills  
They keep comin' one and all  
Bible in their hand  
In answer to the call

They know what the bells are sayin'  
And they've come to do their prayin'  
On this fine Sunday mornin'

Hear them bells  
(Hear them bells, hear them bells)  
Hear them bells  
(Hear them bells, hear them bells)

High up in the belfry swingin'  
What a happy song they're singin'  
On this fine Sunday mornin'  
On this fine Sunday mornin'

Hear them bells  
Hear them bells  
Hear them bells
