# Help Me

**Bobby Darin**

Help me
Find my way back to your heart
Help me
Show me how and where to start

Teach me
To be just the way you want me to
I'll spend my days just learning ways
Of pleasing you

Help me
Though I've often caused you pain
Take me
Back into your arms again

Trust me
For I'm not the fool I used to be
Oh... don't you know
I love you so
So... help me

Help me
Though I've often caused you pain
Take me
Back into your arms again

Trust me
For I'm not the fool I used to be
Oh... don't you know
I love you so
So... help me
