

# Silver Dollar

Bobby Darin

Don't you know

That a man without a woman  
Is like a ship without a sail  
A boat without a rudder  
Or a fish without a tail

And a man without a woman  
Is like a wreck upon the sand  
There's only one thing worse in the universe  
That's a woman without a man

Now you can throw a silver dollar  
Down on the ground  
And it'll roll because it's round  
A woman never knows  
What a good man she's got  
Until, he puts her down

So listen, my honey... give a listen to me  
I want you to understand  
That if you don't wanna be like a silver dollar  
You better be good to this man

You throw a silver dollar  
Down upon that ground  
And it'll roll because it's round  
Yeah... a woman never knows  
What a good man she got  
Until, he puts her down

So give a listen, my honey... listen to me  
I want you to understand  
That if you don't wanna be like a silver dollar  
You better be good to this man

I... mean

If you don't wanna be like a silver dollar  
You better be good to this man

One more time

That if you don't wanna be like a silver dollar  
Woman... better be good to this man
