# Some of These Days

**Bobby Darin**

```
Some of these days
You're gonna miss me, baby
Some of these days
You gonna feel so lonely

You'll miss my huggin'
You're gonna miss my kissin'
You miss me, baby
When I'm far away

You'll feel so lonely
And want me only
'cause you know, baby
You always had your way

And if you leave me
You know it's gonna grieve me
You're gonna miss your thin little daddy
Some of these days

I said some of these days
You're gonna miss me, baby
I'm talkin' about days
You're gonna feel so lonely

You're gonna miss my huggin'
You're gonna miss my kissin'
You'll miss me, baby
When I'm long gone away...

You're gonna feel so lonely
And beg for me only
'cause you know, baby
I always gave your way

And if you leave me
You know it's gonna grieve me
You'll miss your thin little daddy
Some of these days...
