Ain't Got Time for Happy

Bobby Goldsboro

(Ooh, ooh, ooh
Ooh-ooh-ooh)

I ain't got time for happy
I just got time for sad
Too many things in this big old world
That I ain't never had

There's no fire for my warmth
No shoes for my feet
No bed for my worries
No food for my keep
No one for my lonely
None by my side
No place to run to
No place to hide

There's no roof for my shelter
No tune for my song
Each place I go to
I don't belong
My dream has no meaning
My end has no end
No one around me
That I can call friend

I ain't got time for happy
I just got time for sad
Too many things in this big old world
That I ain't never had

There's no joy in my morning
There's only pain
I see no sunshine
There's only rain
It's the same in the country
The same in the town
Too many people
Don't know I'm around

I ain't got time for happy
I just got time for sad
Too many things in this big old world
That I ain't never had
I ain't got time for happy
I just got time for sad
Too many things in this big old world
That I ain't never had
