

# Borrowed Dreams

**Bobby Helms**

You said you loved me  
It all seemed so true  
But then so brightly  
The dawn came into view

And brought tomorrow  
Then you were not there  
For I'm a fool who borrows dreams  
That get nowhere (that get nowhere)

In the magic of my dreams  
(Magic of my dreams)  
I had you all to myself  
(Had you to myself)  
While in reality (in reality)  
You're loving someone else

I weep in sorrow  
It's more than I can bear  
For I'm a fool (I'm a fool)  
Who borrows dreams  
That get nowhere

(In the magic of my dreams)  
(I had you all to my myself)  
While in reality  
You're loving someone else

I weep in sorrow  
It's more than I can bear  
For I'm a fool (I'm a fool)  
Who borrows dreams  
That get nowhere
