

# Let Me Be the One

**Bobby Helms**

Let me be the one to walk with you  
when you want somebody to talk with you  
Anything that makes you happy I wanna do  
oh darling let me be the one

Let me be the one who means the most  
the one you wanna love and call your own  
And when you choose your partner  
I wanna be the choice  
oh darling let me be the one

Let me be the one to be with you  
And when you want some loving  
I'll know just what to do  
Lots and Lots of hugging and a kiss or two  
oh darling let me be the one

Let me be the one to take you out  
to your favorite places you have no doubt  
And when the evenings gone  
With a kiss goodnight  
oh darling let me be the one

Let me be the one to share with you  
All your little pleasures and sorrows too  
And all kind of weather  
I wanna be with you  
oh darling let me be the one

Let me be the one to hold your hand  
When the preacher says do you take this man  
All these happy thoughts will mean so much fun  
oh darling let me be the one

oh darling let me be the one
