

New River Train

Bobby Helms

I'm leaving on that new river train
I'm leaving on that new river train
That same old train that brought me here
It's gonna take me away again

Oh darling you can't love but one
Oh darling you can't love but one
You can't love but one and have any fun
Oh darling you can't love but one

I'm leaving on that new river train...

Oh darling you can't love two
Oh darling you can't love two
You can't love two and your little heart be true
Oh darling you can't love two

Oh darling you can't love three
Oh darling you can't love three
You can't love three and still love me
Oh darling you can't love three

Oh darling you can't love four
Oh darling you can't love four
You can't love four and love me any more
Oh darling you can't love four

I'm leaving on that new river train...
I'm leaving on that new river train
