

# Plaything

**Bobby Helms**

Plaything that's all I am to you  
I'm just a plaything someone to enjoy  
Plaything to play with till you're true  
And then too close aside like a broken heart

You may be sorry for all the wrong you've done  
Always remember that you two play the game as well as one  
And someday someone will come my way  
And say that I'm the only one that they adore  
And then I'll never be your plaything anymore

(You may be sorry for all the wrong you've done)  
Always remember that you two play the game as well as one  
And someday someone will come my way  
And say that I'm the only one that they adore  
And then I'll never be your plaything anymore
