

Frenesi

Bobby Rydell

It was fiesta down in Mexico
And so I stopped a while to see the show
I knew that frenesi meant "Please, love me"
And I could say frenesi
A lovely señorita caught my eye
I stood enchanted as she wandered by
And never knowing that it came from me
I gently sighed frenesi

She stopped and raised her eyes to mine
Her lips just pleaded to be kissed
Her eyes were soft as candle-shine
So how was I to resist?
And now without a heart to call my own
A greater happiness I've never known
Because her kisses are for me alone
Who wouldn't say frenesi?

A lovely señorita caught my eye
I stood enchanted as she wandered by
And never knowing that it came from me
I gently sighed frenesi

Hay en el beso que te di
Alma, piedad, corazón
Dime que sabes tu sentir
Lo mismo que siento yo

And now without a heart to call my own
A greater happiness I've never known
Because her kisses are for me alone
Who wouldn't say frenesi?
Who wouldn't say frenesi?
