

# One Last Kiss

**Bobby Rydell**

(One last kiss)  
(One last kiss)

Yeah, one last kiss  
Oh, baby one last kiss  
It never felt like this  
So really not like this  
You know I need your love  
Oh, oh, oh  
And give me one last kiss  
Yeah, one last kiss now

Oh, one more time  
Oh, baby one more time  
You make me feel sublime  
Now baby it's sublime  
You know I need your love  
Oh, oh, oh  
And give me one last kiss  
Yeah, one last kiss now

And darling, it isn't right  
Why must we say goodnight  
Don't let me go like this  
And now baby, I need you so  
But if I have to go  
Just give me one last kiss

One last kiss  
Oh, baby one last kiss  
It never felt like this  
So really not like this  
You know I need your love  
Oh, oh, oh  
And give me one last kiss  
Yeah, one last kiss now

(One last kiss)  
(One last kiss)

Darling, it isn't right  
Why must we say goodnight  
Don't let me go like this  
And now baby, I need you so  
But if I have to go  
Just give me one last kiss

One last kiss  
Oh, baby one last kiss  
It never felt like this  
So really not like this  
You know I need your love  
Oh, oh, oh  
And give me one last kiss  
Yeah, one last kiss there...
