

Please Don't Be Mad

Bobby Rydell

I-I-I'm sorry about last night
It was crazy for us to fight
Don't you know I love you so?
Please, please don't be mad

We've quarreled, I've made you cry
I was cruel to say goodbye
But you know I-I'd never go
Please, please don't be mad

I love you so, but I've hurt you so
And I, I don't know why
Baby please forgive me
I'm so sorry I could go

Please kiss me, lets start anew
I'd go crazy if I lost you
Now I know how much I had
Please, please don't be mad

Please kiss me, lets start a new
I'd go crazy if I lost you
Now I know how much I had
Please don't be mad
