

# Rosie

**Bobby Rydell**

Everything is Rosie  
When I with my Rosie  
With a girl like Rosie, how could I be blue?  
Hand in hand we'll mosy  
Me and little Rosie  
We will be so cozy, by a fire built for two!

Oh, I once heard a poem that goes:  
A rose, is a rose, is a rose  
But I don't agree  
Take it from me  
There's one rose sweeter than any that grows

And that's my Rosie  
And I'm so glad she chose me!  
Life is one sweet beautiful song to me

So how could I be blue?  
Hand in hand we'll mosy  
(Gee how delighted I'll be!)  
Me and little Rosie  
(When you are cozy with me)  
We will be so cozy, by a fire built for two!

Oh, I once heard a poem that goes:  
A rose, is a rose, is a rose  
But I don't agree  
Take it from me  
There's one rose sweeter than any that grows

And that's my Rosie  
And I'm so glad she chose me!  
My life is one sweet beautiful song to me  
When love is right then what could be wrong  
My life is one sweet beautiful song to me
