

There's A Rainbow ' Round My Shoulder

Bobby Rydell

There's a rainbow around my shoulder
And a sky of blue above
Oh, the sun shines bright, the world's all right
'Cause I'm in love

There's a rainbow around my shoulder
And it fits me like a glove
Let it blow and storm, I'll be where it's warm
'Cause I'm in love

Hallelujah, how the folks will stare
When they see that diamond solitaire
That my little sugar baby
Is goin' to wear, yes-a

There's a rainbow around my shoulder
And a sky of blue above
And I'm shouting so the world will know
That I'm in love

Hallelujah, how the folks will stare
When they see that diamond solitaire
That my little sugar baby
Is goin' to wear, yes-a

There's a rainbow around my shoulder
And a sky of blue above
And I'm shouting so the world will know
That I'm in love
There's a rainbow around my shoulder
'Cause I'm in love!
