## Volare

## **Bobby Rydell**

Sometimes the world is a valley of heartaches and tears, And in the hustle and bustle, no sunshine appears, But you and I have our love always there to remind us There is a way we can leave all the shadows behind us.

Volare, oh, oh! Cantare, oh, oh, oh! Let's fly way up in the clouds Away from the maddening crowds We can sing in the glow of a star that I know of Where lovers enjoy peace of mind Let us leave the confusion and all disillusion behind Just like birds of a feather, a rainbow together we'll find

Volare, oh, oh! Cantare, oh, oh, oh, oh! No wonder my happy heart sings Your love has given me wings Your love has given me wings Your love has given me wings

Penso che un sogno 'cause non ritorni mai pi oh, oh, oh! Nel blu, dipinto di blu Felice di stare lass?
