**Bobby Shmurda**

Ooh, bust me down  
Bust me down  
Bust me down

Man, I'm 'bout to cop a whole brick  
Bust it down  
Smokin' on a dope spliff  
Pass it 'round  
Give a fuck about my old bitch  
That bitch a clown  
'Cause, damn, I'm on that bullshit  
Come fuck around  
Man, I'm 'bout to cop a whole brick  
Bust it down  
Smokin' on a dope spliff  
Pass it 'round

'Cause, damn, I'm on that bullshit  
Come fuck around

You know I keep it gang with me  
Get the forty and the thirty and the Drac' and the Perc' and the safe  
And know I keep a cake with me  
Get a choppa with a shine, with the pump and I'm motherfuckin' dumb  
And you know I got the blaze with me

Any day, I know Jay gon' spray with me  
Gun squad and I spread the whole A, homie  
Know I don't play, homie  
And I got a lake on me  
And I got a big dick and the bank on me  
And I gotta [?] put the chains on me  
And I got a big stick, bank, bank, homie  
Drop top, bad bitch shakes on me  
In the hot block, we be doin' for the gang, baby for the top spot  
She gon' do it for the rain, baby finna chop, chop  
She gon' wiggle for the chains, baby, tell her pop out  
She gon' do it for the gang, baby  
And I'll do it for the fame, baby, you know I'm rich  
And let's do it for the hood, nigga finna pull out  
Man, I wish a nigga would, nigga finna hate now  
'Cause a nigga eatin' good, nigga  
Stay now with the Drac' full of mud, nigga  
Hit a stake now, with the business in this tub, nigga  
Bust a wrist down, why them niggas gettin' fed, nigga? We be stayin' up, nigga

Man, I'm 'bout to cop a whole brick  
Bust it down  
Smokin' on a dope spliff  
Pass it 'round  
Give a fuck about my old bitch  
That bitch a clown  
'Cause, damn, I'm on that bullshit  
Come fuck around
