

# Big Booty Judy

Bobby V

Feelin' real good, pocket full of hundreds  
Got 'em all lined up, I could have 'em if I wanted  
So, tell me what I'm gone settle down for?  
And why should I go the whole night for?  
I know that I'm not ready to have  
My lovin' on lock down, no  
My lovin' on lock down, no  
For only one night

Tell me if you're down  
Wanna hear the sound of us love makin'  
Just me and you  
Tell me if you're down  
Wanna hear the sound  
She make me say her name

Big Booty Judy  
Do somethin' to me (She do somethin' to me)  
Big Booty Judy (Big booty)  
Do somethin' to me  
And when she make it drop, everybody stop  
Body so bad see if from the parking lot  
Big Booty Judy  
Big Booty Judy

We started dancin'  
Kissin' and romancin'  
You whispered in my ear and said,  
"You gotta work for this if you want it"  
She's a prototype, just the kind I like  
Nobody does it better, baby, no

Big Booty Judy  
Do somethin' to me (She do somethin' to me)  
Big Booty Judy (Big booty)  
Do somethin' to me  
And when she make it drop, everybody stop  
Body so bad see if from the parking lot  
Big Booty Judy
