Bobby V

Girl, you know I fuck with you and that's on everything
And I want to believe everything you're telling me
I know you gotta a lot up on the side
But you say you love me

Do you tell that shit to e'rybody, e'rybody?
Do you tell that shit to e'rybody?
Do you tell that shit to e'rybody, e'rybody?
Do you tell that shit to e'rybody?

I know you young and livin', I don't wanna be selfish
I just want you to myself, I really can't help
Baby, ain't no secret, I know everyone you be with
When the cheque come, you leaving, swear ain't gotta be a reason

How can something so right feel so wrong?
What do I do? What do I do? Oh, no
Walk it like you talk it, say you love me, I won't force it
Girl, you're gorgeous, I just wanna know before I give my all

Girl, you know I fuck with you and that's on everything
And I want to believe everything you're telling me
I know you gotta a lot up on the side
But you say you love me

Do you tell that shit to e'rybody, e'rybody?
Do you tell that shit to e'rybody?
Do you tell that shit to e'rybody, e'rybody?
Do you tell that shit to e'rybody?

When you on the scene, it feel like everybody watchin'
All up in your business, they be Instagram stalkin'
How do I know? How do I know?
I be doing it too

Wanna nigga to take you out, spend that money on the first night
Met you on the 'Gram, flew you out on the first flight
Walk it like you talk it, say you love me, I won't force it
Girl, you're gorgeous, I just wanna know before I give my all

Girl, you know I fuck with you and that's on everything
And I want to believe everything you're telling me
I know you gotta a lot up on the side
But you say you love me

Do you tell that shit to e'rybody, e'rybody?
Do you tell that shit to e'rybody?
Do you tell that shit to e'rybody, e'rybody?
Do you tell that shit to e'rybody?
