

Hands On Me

Bobby V

Ooh (yeah)

Ooh (yeah)

Yeah

Yeah

See

Me and my girls having problems

I need the time to breathe

So I headed to the club,

Straight to the VIP (hm)

Shoulda seen lil Mama

Rapping 'em Fendi Jeans,

And them Christian Dior

Looking kinda good on her feet

She got me like

I had a couple drinks to me

Shortly talking sh to me

But that's not what I came here for

So I make my way to the door

I try leave the club

But I can't because shortly got her hands on me

I said I really need to go

But she's like no shortly got her hands on me

She trains so hard to temp me

And she keep going when she go and get me

Next thing I know, she grabbing on me

(Shortly got her hands on me)

She all up on my head like don't leave

Don't leave don't

Leave don't leave

Leave don't leave

Shortly got her hands on me

She got perfect timing

More than that she's a perfect diamond

The situations got me blinded

'cause I gotta girl at home (oh)

Now she all on my ear with it

Damn the way she drop it down low

Can she pick it up real slow

Body really out the control damn

She got me like (oh)

I really need to leave now

She grabbing on me

And she aint what I came here for

But she got me open like a door

I try leave the club

But I can't because

Shorty got her hands on me

I said I really need to go

But she's like no
Shorty got her hands on me

She trains so hard to temp me
And she keep going when she go and get me
Next thing I know
She grabbing on me (shorty got her hands on me)

She all up on my head like don't leave
Don't leave don't leave don't leave
Don't leave don't leave don't leave
Shortly got her hands on m

I'm sorry but I gotta girl at home
She hands all on me ain't making it hard to leave
'cause your body smells so good
You just my type
I wanna take you home
But girl I gotta go (oh)
