

# Just Me & You

Bobby V

Just me and you  
(oh baby, just me and you, just the two)  
Just me and you  
(oh baby, yeah, wo, come on)

I knew when I met you, you were special  
'Cause no ordinary love can make you feel this way  
You took a while to get to know me  
I can't wait so I can show you that I ain't tryna play no games  
So I'm nominating you (so I'm nominating you)  
'cause I only want you ('cause I only want you)  
Tell me what you wanna do (tell me what you wanna do)  
I'll be evrythang you want me to

Just me and you (just me and you)  
Don't worry bout this, don't worry bout that  
(we don't need nobody else)  
Don't worry bout nothin'  
Just me and you (just me and you)  
Don't worry bout this, don't worry bout that  
(we don't need nobody else)  
Don't worry bout nothin'

Holdin' hands in the park, picnics under the stars  
Make a wish and I'll make it true  
My heart belongs to you, it ain't a thang I wouldn't do  
Just to prove how much I'm feelin' you  
So I'm nominating you (so I'm nominating you)  
'cause I only want you ('cause I only want you)  
Tell me what you wanna do (tell me what you wanna do)  
I'll be evrythang you want me to

Just me and you (just me and you.. baby, youu)  
Don't worry bout this, don't worry bout that  
(we don't need nobody else, ohh)  
Don't worry bout nothin'  
Just me and you (just me and you, just the two)  
Don't worry bout this, don't worry bout that  
(we don't need nobody, just me and you)  
Don't worry bout nothin'

(You got to know, if you don't know baby.. don't you worry)  
Don't worry bout nothin' (no, 'cause I wanna tell you)  
Don't worry bout this, don't worry bout that (don't worry bout it, don't worry bout nothin')  
Don't worry bout nothin'  
Don't worry bout nothin' (just me and you yea, ooh baby)  
Don't worry bout this, don't worry bout that (don't worry bout it, don't worry bout nothin')  
Don't worry bout nothin'
