Bobby V

Abortin' these doubters like plan B
Started back in '96
Old money, still rich
New lips, new chips
Go for 20 years in this bitch
Blog sites wanna hate on me
But I still see the great in me
Even though they degradin' me
Stayin' down with it patiently

He say, she say
He the king of this
But you know like I know
I'm true to this
He say, she say
He the king of this
But I'll never give up
On these R&B hits
On these R&B hits
Yeah yeah

He the king of this
But I'll never give up
On these R&B hits
