

Love Me Slow

Bobby V

Yeah, just at this fly ass hotel
Thinkin' about what we would do

You said you were on your way
Anticipation's killin' me (yeah)
Where your ass was at? You said you were 'round the corner
Wanna see some break lights pullin' up on me
How many times you gon pass my crib?
Did you forget where I live?
Stop trippin', bring that coke bottle 'cause I need it
When you walk in, baby ima beat it

Freak me (yeah, yeah)
Like we on TV (yeah, yeah)
Let's make a movie (yeah, yeah)
I wanna take you for a ride in my bedroom

You said you're gonna love me slow
When we're done, we're gonna do it some more (ooo yeah)
I love it when you're drippin' on me
Don't stop drippin' on me
You said you're gonna love me slow
You give me a heart attack

Bath water's waitin' on you
Jacuzzi with the bubbles for two (yeah)
Ima have them rose petals thrown on the fli-zo
Sexy ass body ima throw you on the pillow
Call in sick tomorrow
'Cause these love games gon keep goin' (yeah)
Breakfast in bed (ooo, ooo) ima feed you
Ain't no tellin' what's next we be doin'

Freak me (yeah, yeah)
Like we on TV (yeah, yeah)
Let's make a movie (yeah, yeah)
I wanna take you for a ride in my bedroom

You said you're gonna love me slow
When we're done, we're gonna do it some more (ooo yeah)
I love it when you're drippin' on me
Don't stop drippin' on me
You said you're gonna love me slow
You give me a heart attack
