

Nothing On You

Bobby V

Don't it feel good'

Fool me, love me
Kiss me, touch me
Treat me like I never did before
Skip the bed, we gon stay here on the floor

The way you kiss me so softly, I get to love it
Loving that we made, never felt it
I don't want nobody else but you
Girl you do to me what the others can't do

You're my heart, girl
Soul soul
What' oh no
You're my heart, girl
Soul soul
What' oh no

These girls ain't got nothing on you, nothing on you
Nothing on you, I swear it
Ain't got nothing on you, nothing on you
I don't care about the other girls lyin'
Other girls tryin' to tear us apart
No, they got nothing on you, nothing on you

She needs me, wants me
To love her unconditionally
Never met a girl that's down like her before
I got it all but we heard it's much more

The way you kiss me so softly, I get to love it
Loving that we made, never felt it
I don't want nobody else but you
Girl you do to me what the others can't do

You're my heart, girl
Soul soul
What' oh no
You're my heart, girl
Soul soul
What' oh no

These girls ain't got nothing on you, nothing on you
Nothing on you, I swear it
Ain't got nothing on you, nothing on you
I don't care about the other girls lyin'
Other girls tryin' to tear us apart
They ain't got nothing on you, nothing on you

The way you kiss me so softly, I get to love it
Loving that we made, never felt it
I don't want nobody else but you
Girl you do to me what the others can't do

You're my heart, girl
Soul soul

What' oh no
You're my heart, girl
Soul soul
What' oh no

These girls ain't got nothing on you, nothing on you
Nothing on you, I swear it
Ain't got nothing on you, nothing on you
I don't care about the other girls lyin'
Other girls tryin' to tear us apart
They ain't got nothing on you, nothing on you

Nothing on you (you)
Nothing on you (you)
Nothing on you (you)

Nothing on you (you)
Nothing on you (you)
Nothing on you (you)
