

I Wish You Were Mine Again

Bobby Vee

I wish all the best for you
Happiness and love that's true
And I wish you were mine again

I hope everyday will bring
Sunny skies and everything
And I wish you were mine again

I wish you and I could start over again
I'd treat you so much better than I did then

I hope you will never be
Sad and lonely just like me
And I wish you were mine again

Oh why can't you be mine again

I hope you will never be
Sad and lonely just like me
And I wish you were mine again

Oh why can't you be mine again
