

If I'm Right Or Wrong

Bobby Vee

Right or wrong
I'ma gonna end it all
I'ma gonna take a chance on this romance if I'm right or wrong
I don't care
I'ma gonna have my way
Even if I have to pay I'll face the day if I'm right or wrong

People say I'm foolish, how are they to know?
What they say is [?] necessarily so
My mind is made up and I'm gonna follow through
I'm gonna go right in and come out loving you

Right or wrong
I'ma gonna end it all
I'ma gonna take a chance on this romance if I'm right or wrong

People say I'm foolish, how are they to know?
What they say is [?] necessarily so
My mind is made up and I'm gonna see it through
I'm gonna go right in and come out loving you

Right or wrong
I'ma gonna end it all
I'ma gonna take a chance on this romance if I'm right or wrong
