

## She's Sorry

Bobby Vee

She's sorry, yeah, yeah, yeah  
She's sorry, yeah, yeah, yeah  
And she wants to know  
What she must do to prove to you

She's sorry, yeah, yeah, yeah  
She's sorry, yeah, yeah, yeah  
And she said she wants to  
Come back home to you

She knows that she was wrong  
It was her fault all along  
And she asked me to let you know

She's sorry, yeah, yeah, yeah  
She's sorry, yeah, yeah, yeah  
And she said she wants to  
Come back home to you

She's sorry, yeah, yeah, yeah  
She's sorry, yeah, yeah, yeah  
And she said she wants to  
Come back home to you

I'm here to let you know  
That girl still loves you so  
And she wants to be yours again

She's sorry, yeah, yeah, yeah  
She's sorry, yeah, yeah, yeah  
And she said she wants to  
Come back home to you
