

# Write Me a Letter Donna

Bobby Vee

Write me a letter Donna  
How I'd love to hear from you  
Write me a letter Donna  
Or I'm sure my heart is gonna break in two

You went away to test our love  
A love that we were both sure of  
For sometime I haven't heard from you  
I'm wondering if you found someone knew

Write me a letter Donna  
How I'd love to hear from you  
Write me a letter Donna  
Or I'm sure my heart is gonna break in two

I'm sending you a picture, dear  
That we made while you were here  
If it should mean anything to you  
I'd sign it on the back I still love you

Write me a letter Donna  
How I'd love to hear from you  
Write me a letter Donna  
Or I'm sure my heart is gonna break in two  
If I don't at-least get a line from you

Write me a letter Donna  
Write me a letter Donna  
Mmmhm write me a letter, Donna
