

# Bitter Teardrops

**Bobby Vinton**

Teardrops, bitter teardrops  
Falling for someone who doesn't know  
That I am crying, yes I am crying  
And I'll be crying wherever I go

For I have lost you forever more  
My heart is broken, my eyes are sore  
From teardrops, bitter teardrops  
That stain my pillow whenever I sleep

I'm crying, oh how I'm crying,  
Crying my eyes out over you  
I'm begging, oh how I'm begging  
For all those things we used to do

Since you have left me, my heart has bled  
My mind is tortured, my eyes are red  
From teardrops, bitter teardrops  
But I can't help wond'ring  
Do you have bitter teardrops too?
