

# Greenfields

**Bobby Vinton**

Once there were greenfields kissed by the sun  
Once there were valleys where rivers used to run  
Once there was blue sky with white clouds high above  
Once they were part of an everlasting love  
We were the lovers who strolled through greenfields

Greenfields are gone now, parched by the sun  
Gone from the valleys where rivers used to run  
Gone with the cold wind that swept into my heart  
Gone with the lovers who let their dreams depart  
Where are the greenfields that we used to roam?

I'll never know what made you run away  
How can I keep searching when dark clouds hide the day?  
I only know there's nothing here for me  
Nothing in this wide world left for me to see

But I'll keep on waitin' 'til you return  
I'll keep on waiting until the day you learn  
You can't be happy while your heart's on the roam  
You can't be happy until you bring it home  
Home to the greenfields and me once again
