

I'm Leaving It up to You

Bobby Vinton

I'm leaving it up to you
You decide what you're gonna do
Now, do you want my love
Or are we through?

That's why I'm leaving it up to you
You decide what you're gonna do
Now, do you want my love
Or are we through?

I've got my heart in my hand
I, I, I don't understand
What have I... what have I done wrong?
You know I worship the ground you walk on

That's why I'm leaving it up to you
You decide what you're gonna do
Now, do you want my love
Or are we through?
Or are we through?
Or are we through?
Or are we through?
