

I Want to Spend My Life With You

Bobby Vinton

Have you ever looked inside yourself
And found an empty place for happiness
And could simply make no sense of it
Now your here and all the pieces fit
Oh what a lovely thing to do
I want to spend my life with you

Oh my love I don't where this long
And winding road of life is leading us
But I wish that we could take that ride
We could bridge the narrow and the wide
I'm not merely passing through
I want to spend my life with you

And if one tomorrow
Doesn't measure up along the way
Baby we could always borrow
A piece of yesterday

Oh my love I don't where this long
And winding road of life is leading us
But I wish that we could take that ride
We could bridge the narrow and the wide
I'm not merely passing through
I want to spend my life with you
My Life with you
Wooh hoo hoo hoo hoo.
