

Life Goes On

Bobby Vinton

Life goes on
And the days roll by
No one cares
If I live or die

I'm so blue
Since you said goodbye
That I don't care
If life goes on

You go on
And the same old way
You don't miss me

My friends all say
There's someone new
In your life each day

But no one thought for me
As life goes on

Love lives on
In my memories
Thoughts of you
Just want to set me free

I hope and pray
You'll come back to me
And that's my only dream as
Life goes on
