

Little Miss Blue

Bobby Vinton

Blue, little miss blue
Why are you crying, what did I do?

Blue, little miss blue
Those rumors you heard were all untrue

For I love you only, only you
So, dry your tears, my little miss blue

Trust (trust), please trust my love (trust my love)
Our love was made in heaven above
Blue, little miss blue
Wipe your eyes, your crying is through

For I love you only, only you
So, dry your tears, my little miss blue

Little miss blue
Little miss blue
