

# Maybe You'll Be There

**Bobby Vinton**

Each time I see a crowd of people  
Just like a fool I stop and stare  
It's really not the proper thing to do  
But maybe you'll be there  
(Maybe you'll be there)

I go out walking after midnight  
Along the lonely thoroughfare  
It's not the time or place to look for you  
But maybe you'll be there

You said your arms would always hold me  
You said your lips were mine alone to kiss  
Now after all those things you told me  
How can it end like this

I'll never have to hurry to the door  
'Cause, baby, you'll be there  
(Baby, you'll be there)  
(Maybe, you'll be there)
