Moody

Bobby Vinton

(Moody, Moody)

Oh-oh, Moody, will you ever change
Moody, is there anything that I can do
To make you really belong to me
Ooh-ooh-ooh, Moody, what a perfect name

You're moody, never quite the same
Wish I knew what makes you such a mystery
Can't you give just one chance to me
One clue is all I need, or are you teasing me

Oh-oh-oh-oh, Moody, could it be you're scared
Moody, to confess you care
Love is for fools, whether you win or you lose
Your heart doesn't think it

Ooh-ooh-ooh, Moody, this is no mistake
My Moody, must you make me wait
Wantin' you so, baby, I'm longin' to know
So come on and tell me you love me, Moody

Love me, Moody
Love me, Moody
You're gonna love me, Moody
