

Serenade of the Bells

Bobby Vinton

In the sleepy town of San Juanita
There's a story that a padre tells
Of a gay señor and señorita
And the serenade of the bells

Seems they asked the padre for permission
To be married early in the spring
But their folks had made just one condition
That the mission bells had to ring

Ev'ryone knew the bells were broken
And hadn't sounded in a long, long time
Then one night, the village was astounded
The bells began to chime

Still the bells are broken, goes the story
But if in your heart a true love dwells
They will ring for you in all their glory
That's the serenade of the bells

(Ev'ryone knew the bells were broken
And hadn't sounded in a long, long time)
Then one night, the village was astounded
The bells began to chime

Still the bells are broken, goes the story
But if in your heart a true love dwells
They will ring for you in all their glory
That's the serenade of the bells
