

## Some of These Days

Bobby Vinton

Some of these days  
You're gonna miss me, honey  
Some of these days  
You'll feel so lonely

You're gonna miss my huggin'  
You'll miss my kissin'  
You may even miss me, baby  
When I'm gone away

You're gonna feel lonely  
And want me only  
'Cause you know, honey  
Kinda always had your way

Say baby if you leave me, oh yes oh yes  
You know it's gonna grieve me  
You're gonna miss your boney little daddy  
'Cause one of these... yeah  
Said some of these days (Aw ... do it, Sophie!)  
You're gonna miss me honey, huh  
And I'm talkin' about days  
When you feel all lonely

You're gonna miss my huggin'  
You're gonna miss my kissin'  
You may even miss me, honey  
When I'm long gone away

I hope you feel lonely  
And want me only  
'Cause you know lover  
Ya always had your way

And if-a you-a-a leave me  
You know it's gonna grie-ee-ee-ve me  
You'll miss-a your brown-eyed daddy (Grab it now!)  
Some of these daaaaa-ays
