Everything Is Beautiful

Bobby Womack

Everything is beautiful in it's own way
Like the starry summer night, or a snow-covered winter's day
And everybody's beautiful in their own way
Under God's heaven, I know I know I know we've gotta find the w
ay

There is none so blind as he who just don't wanna see
We must not close our minds; we must let our thoughts be free
For every hour that passes by, we know the world gets a little
older
It's time to realize that were steady getting older

Everything is beautiful, in it's own way
And it gets better better better every long long day

We shouldn't care about the length of his hair, or the color of
 his skin
Don't worry about what shows from without, but the love that li
ves within
And we're gonna get it all together now; everything gonna work
out fine
Why don't you just take a little time to look on the good side
my friend
And straighten it out in your mind

And everything is beautiful
And it gets better better better every every every every day
Everybody's beautiful, in it own way
Can't you see it gets better better better every every every ev
ery day
