**Bobby Womack**

La La Laa  
You say you like all kinds of music  
No favourites  
But then its got to happen in its own space and time

The Games  
That people play  
They're so afraid to face the time of day  
So they run away  
You see  
They're afraid to live  
Afraid to let  
They don't wanna give unless they get  
Unless they get

The Games  
That we begin  
Once they start they never never, cease to end  
I know you heard what I said my friend  
You see  
Cos as the start  
Of every every every game  
theres a part of you that gonna never never change

Time oh  
Time has a story  
It has a story  
and the games oh  
Did you see us goin up to you  
nobody but you  
You gotta make your moves  
make your moves whilst you still can win em, win em  
But you cant never never let the game close in on you  
OH

Moves  
to stay ahead  
Well, I'm sick and tired of them yessin' me  
just for my bread  
I know y'all heard what I said  
See  
Cos at the start  
just like they play your favourite song  
They play it over and over and over again 'til the grooves are gone

Time oh  
time has a story  
It has a story, story, story, story.  
and how you play the game  
Cant you see that its all up to you  
nobody but you  
you gotta make your moves  
make your moves whilst you still can win em  
still got a chance brother  
But you cant never let the moves close in  
close in on you  
Wooooo!

Games,  
Well,  
I'm talking about those games that people play  
(the games people play, well)  
I said to myself, I said self,  
What a way, what a way  
to pass the time of day  
(those games people play, well)  
Check it out.

Its all about those games  
(the games people play, well)  
Its like  
I say yes  
(the games people play, well)  
She say no  
If I say stay then she don't say go  
Its all about, games  
(the games people play, well)  
Oh girl have just you to let you down  
Fallin in and out of love  
(the games people play, well)
